Weekly Round-Up Autumn 1 Week 6

What have we been up to?

We have had a super time in Nursery this week. Our focus has been 'Our 5 senses' where we have taken part in lots of activities that have involved touching, tasting, feeling, looking and listening to explore different materials and objects. The children have enjoyed feeling unusual objects inside a feely box and smelling fragrant herbs- from our school garden- to see if we like the smell or not.

During our phonics lessons, we have been singing our phonics songs, learning new ones and listening to lots of stories. The children have loved listening to the musical instruments using our listening ears, playing them loudly, quietly, slowly and quickly.

Phonics

Maths

1 2 3

We have also enjoyed singing lots of counting songs and rhymes. We have been discussing the order of the numbers and we noticed that the order is always the same when we count.

Your Help Would Be Much Appreciated...

Over the next few weeks, our topic is linked to health and healthy eating. If any parents/carers have jobs linked to health e.g. doctors, nurse, dentist, dietician etc and they would be willing to come in to talk to the children, we would love you to come and visit. Please speak to Mrs Watt or Mrs Harris for further information. Many thanks.

Upcoming...

Many thanks to everyone that has signed up for a parent/teacher meeting. We are looking forward to chatting with you all. Please contact the school office if you still need an appointment.

So you have plenty of warning, we are planning Halloween activities in the final week before half term and on the Friday of that week (24th October) your child can come to Nursery in a Halloween outfit if they would like to. As always, there is no pressure for the children to dress up or for you to buy costumes; keep the cost low and be as creative as you can with what you already have! If dressing up is not for your child, please just send them into school in non-uniform. Please remember to label all costumes and be mindful that the children will need to manage their costumes when using the toilet. No accessories please because we don't want things to get broken or lost in our back hole!

Wellies...

We have lots of surplus wellies in our canopy area. Please have a look and if there is a pair that would be suitable for your child to use in school, take them, name them and bring them back for us to keep in school. Now the children are settled, we will be using the field and willow area more often, so every child needs a pair of NAMED wellies to leave in school to be used after half term. Please give NAMED wellies to staff so we can organise storage.
Huge thanks!

Thanks for the support as always,
Mrs Harris, Mrs Watt and the Nursery Team.

HAPPY
HAPPY WEEKEND
