Weekly Round-Up Spring 2 Week 2

What have we been up to?

This week in Reception we have loved learning all about puffins! The children have remembered a lot of facts about puffins and have been very creative, drawing pictures and making clay puffins. It has been great to see the children's enthusiasm for World Book Day; they have been excited to show us their costumes and tell us about their favourite stories.

Upcoming...

Science week

9th- 14th March

Cullercoats Beach Visit

1:15pm-3pm

Wednesday 11th March

RED
NOSE
DAY

Red Nose Day

Friday 20th March

non-uniform day (£1 donation to Comic Relief)

School Disco

Tuesday 24th March

Post Office Visit

1:15pm-3pm

Friday 27th March Each class will need 4 helpers; please sign up on the Gateway.

Reminders...

Please remember to send a water bottle in each day; the children do lots of running around and get thirsty. Please ensure that the bottle has water in, rather than juice.

Our junk modelling stocks are once more overflowing, so please don't send any in for the time being. We will let you know when we need more.

Have a lovely weekend!

From Ms McCall, Mrs Raine and The Reception Team.

**happy
WEEKEND!**
