Weekly Round-Up Spring 2 Week 6

What have we been up to?

We'll we have had another great term in Reception, just one more to go! Thank you so much to the parents who have been in to tell us about their jobs - you were all fantastic and the children (and staff) have really enjoyed learning about different jobs. We have been so impressed with the children's listening, and they asked some great questions.

Next half term we will be looking at where we live, the UK, London and our local area. We are looking forward to learning more about the world around us.
