Weekly Round-Up Summer 1 Week 2

## What have we been up to?

This week we have had a great time, finding out all about the United Kingdom. It has been lovely to see some of the children's pictures from around the UK, thank you for sending them in. In math's, the children have enjoyed doing lots of counting activities, and are developing their understanding of teen number. Please encourage your child to spot teen numbers when they are out and about.

Next week we are going to continue our United Kingdom topic, and tie it in with the 100th birthday of David Attenborough, looking at endangered British animals. We are looking forward to celebrating next Friday.

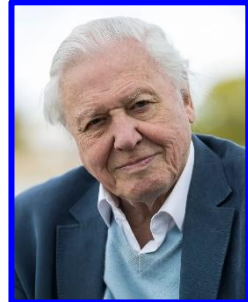

## Upcoming...

*We have a very busy summer term coming up. Please make a note of these dates:*

### David Attenborough Day
