Weekly Round-Up Spring 2 Week 1

What have we been up to?

We hope you all had a lovely half term! It was lovely to welcome the children back to nursery on Monday and hear all about the exciting things they have been up to. It has certainly been a busy first week back with so many exciting learning opportunities.

Our new topic in Nursery is 'Spring Time'. This week we have been discussing the upcoming season of Spring by talking about all the exciting things that we might see happening around this time of year. We have chatted about 'new life', such as plants growing and baby animals being born, we have also had some super discussions about spring flowers growing from bulbs. If you are out and about, keep your eyes peeled for any snowdrops, daffodils and crocuses growing in the soil and baby animals being born. Spring is definitely on its way!

We are visiting the Willow again on Friday as we are completing a walk around the school grounds, looking for signs of spring. Wellies and suitable coats as always please.

In phonics, we have been using a Floppy Phonics story book called 'At the Match'. We have enjoyed listening to lots of sounds that you might hear at a football match and using our voices to replicate these sounds.

Phonics

Maths

1 2 3

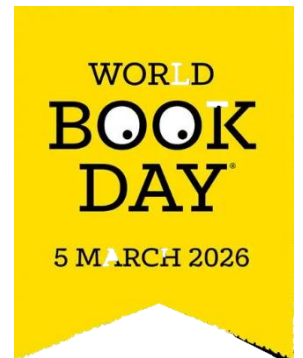

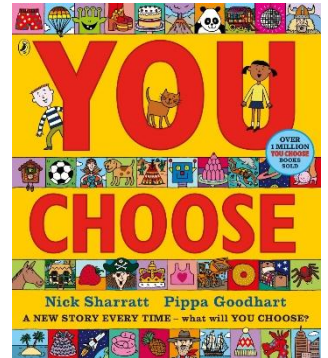

In maths this week, we have been consolidating our work on 'positional language', the children are now fantastic at using many words such as 'in, on, under, behind, between etc to describe the position of different objects. We had great fun in our willow garden on Tuesday. The children enjoyed looking for photographs of themselves hiding in different positions and then re-hiding them for a friend to find. It was lovely to hear lots of mathematical vocabulary in use.

Upcoming...

Just a quick reminder that next Thursday is World Book Day - In nursery, we have decided to focus on the book 'You Choose' by Nick Sharratt and Pippa Goodhart. This book is a firm favourite with our nursery children, they absolutely love looking at the pictures on each of the pages and choosing who their pet would be? What would they like to wear? What job they would like to do?

Who their family members could be? We have lots of lovely activities planned on that day, which we feel sure the children will enjoy. Please note, the children are very welcome to come to nursery next Thursday wearing a costume. Ideally it would be something linked to the book e.g. a job they would like to do when they are older, something linked to a pet? A favourite outfit?

Pair of shoes? Favourite princess dress? The possibilities are endless! However, if dressing up is not for them, please don't worry, just non-school uniform is fine. You know us, we are very relaxed and anything goes!

Many thanks

Mrs Watt, and the Nursery Team
