Weekly Round-Up Summer 2 Week 3

## What have we been up to?

This week in Reception the children have loved hearing the story of the Bog Baby; they have drawn their own bog babies and designed homes for them. We also had a great time out in the willow; the children really enjoyed hunting for mini beasts and observing the bees.

## Reminder...

### Junk Modelling

Open for donations!

### Sunny Weather

The weather is very changeable here at the coast; this week has been the perfect example of this. Please remember to bring a waterproof coat every day; when it's sunny, please send in a sun hat (named).

### Head Lice

We seem to be suffering from yet another outbreak of headlice. Please be vigilant and treat your child as soon as possible if you suspect there to be headlice present.

### Transition

Next week we will be talking with the children about their transition to Y1. We will be sharing some stories that will help children to process the move from Reception, and thinking about what they have enjoyed in Reception, and what they are looking forward to next year. We aim to make this a really positive experience for children; please do let us know if your child has any specific worries.
