

Schoolcomms and Schoolgateway Booklet

Schoolcomms – Messaging services

'Schoolcomms' is a school communication system to inform parents of events happening in school. This will enable you to receive communications from school quickly and reliably. It will enable us to send letters by email to your inbox and short messages directly to your mobile phone as a text message.

You will

- Get a short text message if we need to contact you urgently
- Send us any reasons for absence via text or email
- Receive letters more reliably and promptly
- See letters in your inbox like any other email
- Be able to reply by email or text
- Not receive any spam or marketing material. Your details will not be used for any other purpose than school business

We can

- Contact you urgently when necessary
- Save money on admin time, printing and paper

The school will use the email address and mobile number that we hold for the first named contact for your child/ren on our database. It is extremely important that if you change your contact details you let the school office know as soon as possible.

Schoolgateway – Payment and consent for school trips, clubs and Cullercoats Childrens Club(before and after school club)

If you have not already registered with the Schoolgateway, please follow the simple instructions below;

Payments to school for trips and activities via credit or debit card

Please register for the 'Schoolgateway'. This means that as well as receiving emails and text messages, you will be able to make online payments via the Schoolgateway Smartphone app or website and also give consent and home time arrangements for visits and clubs. You will also be able to view school trip/activity balances online and top them up as and when required.

What you need to do now

This applies to the Parent/Carer who is listed as the number 1 contact on the child's record at school

Download the app: if you have a smartphone, please download the Schoolgateway from your app store (Android and iPhone.) The app shows the same information as the website PLUS you can send app messages to the school for FREE – this will also save the school money when we send text messages.

OR

Visit the website: www.schoolgateway.com

Can't activate your account?

If you're having trouble logging in, it may be because the school doesn't have your current email and mobile phone number on record. Please contact info@cullercoatsps.org.uk and she will update the details on our system.

PLEASE SAVE THE EMAIL OR MAKE A NOTE OF THE DETAILS SO THAT YOU CAN KEEP TRACK OF WHAT YOU HAVE SIGNED YOUR CHILD UP FOR, WE FIND WRITING THE INFORMATION ONTO A CALENDAR STUCK TO THE FRIDGE OR PUTTING THE DETAILS INTO A MOBILE PHONE CALENDAR IS PERFECT.

Please follow the instructions ahead for using the Schoolgateway app and website.

Please note that going into the "Payments" option on both the website and the app and paying for a club via this screen will only top up your club balance and will NOT book your child onto any sessions. **YOU MUST BOOK A SESSION BEFORE YOU PAY. Failing to book a session will result in your child not being allocated a place.**

How to book and pay for trips and clubs on the Schoolgateway APP

If you have multiple children the first screen you will see after logging in is a list of your children. To start tap on the relevant child and then on the next menu you should see a list of options including "payments" (where school trips will be), and below a list where all the clubs your child has been enrolled on (if you cannot see this, ring school office)

From here the booking process is almost identical to the website. (see print screen instructions on pages

You can now make payments via School Gateway app. Download from your app store.

HOW TO BOOK AND PAY FOR CULLERCOATS CHILDREN'S CLUB (BEFORE AND AFTER SCHOOL CLUB)

The majority of parents/carers are already registered and accessing the School Gateway website or the app already as we have been using this same system for some time now. If you would like your child to attend Cullercoats Children's Club for either breakfast or after school club, then to be able to book sessions, you will need to load up the School Gateway via the website (www.schoolgateway.com) or the app.

SESSIONS MUST BE BOOKED AT LEAST 24 HOURS IN ADVANCE

Club opening times

Breakfast Club – 7.30 – 9am Mon-Fri
Afterschool club – 3.30 – 5.30 Mon-Thurs
Afterschool club – 3.30 – 5pm Friday

Website

Once on the School Gateway home screen you will see your child and a number of different options including each of the clubs your child is enrolled on (This will also include **separate** clubs for breakfast club and afterschool club). If you cannot see this, it may be due to not having parental responsibility enabled in SIMS (If this is the case, please contact the school office for support)

APP

If you have multiple children the first screen you will see after logging in is a list of your children. To start tap on the relevant child and then on the next menu you should see a list of options including “payments”, and all the clubs your child has been enrolled on (again if you cannot see this, please contact us to check your parental responsibility in SIMS).

The screenshot displays the School Gateway website interface. At the top, it shows the school name 'Cullercoats Primary School' and a logo. Below this, there is a 'PAYMENTS' button. The main section is for a user named 'Macy PIGFORD', identified as 'Year 5, Class 5AF'. Underneath the user information, there are several menu items, each with a balance of £0.00. These items are: 'PAYMENTS' (with a note '1 payment item available'), 'Y5 CRICKET', 'Y5 LP DANCE', 'TEST', 'Y5 NUFC FOOTBALL', 'BREAKFAST CLUB', 'AFTER SCHOOL CLUB', and 'TEST - BREAKFAST CLUB'. A blue box highlights the 'TEST - BREAKFAST CLUB' item. At the bottom of the page, there is a banner for the 'SCHOOL GATEWAY APP - NEW FEATURES...' with a note 'You can now make payments via School Gateway app. Download from your app store.' and links to the App Store and Google Play.

Once you have selected club required, you will see a list of dates. You will need to scroll down to see available sessions.

The screenshot displays a calendar interface for sessions. The browser window shows the URL <https://login.schoolgateway.com/0/clubs/3159539/15446238>. The calendar grid is as follows:

The blue session then turns green.

You will then need to BOOK SELECTED SESSION.

Below this, the user's name 'Macy PIGFORD' is displayed. The main content area shows the details for a 'TEST - Breakfast Club - Cullercoats Children Club' with a current balance of £4.00. A 'Top up' button is visible. Below this, it states 'Macy is currently booked onto 3 future sessions.' There are 'SELECT ALL' and 'UNSELECT ALL' buttons. A calendar grid shows dates from 10 Jul 2017 to 06 Aug 2017. A summary box on the right indicates '1 Sessions selected' with a cost of £5.00. PAYMENT METHODS

BANK TRANSFER, CREDIT OR DEBIT CARD PAYMENTS

IF you are paying by bank transfer/ debit or credit card in advance, you will then be asked to **SELECT A PAYMENT METHOD**. You have the choice to pay by **BANK TRANSFER** or **CREDIT OR DEBIT CARD**. You will only need to input your details once as they can be saved for future use if you wish to do so. This is a totally secure site and your payments are protected by the Direct Debit Guarantee. (The cheapest option for the school would be for you to pay by BANK TRANSFER as we pay a set fee for this rather than a percentage as with DEBIT OR CREDIT cards)

The screenshot shows a web browser window displaying the Schoolgateway website. The browser's address bar shows the URL: <https://login.schoolgateway.com/0/payments/basket/3159539/3508>. - Instant Bank Transfer**: The easiest and fastest way to make payments to your school.
- Credit or Debit cards**: Card payments cost your school more to process than Instant Bank Transfers.

The modal window includes a "Cancel" button and a "Checkout" button. At the bottom of the page, there is a banner for the "SCHOOL GATEWAY APP - NEW FEATURES..." with download links for the App Store and Google Play. CHILDCARE VOUCHERS

If you are paying your account with CHILDCARE VOUCHERS, the procedure is slightly different. You must ensure that you have sufficient credit on your account to be able to book a session. As a school, we are notified on a daily basis of any CHILDCARE VOUCHER income into our bank account. As these notifications are received, we will allocate this payment to your account. You will not therefore need to go through any payment process as the system will automatically deduct the cost of the sessions booked from your credit balance.

The balance on your account is shown at the top of the home page at all times. **Please be aware, that it can take up to three working days before we are notified by your Childcare Voucher Company of any payments made. We will then require sufficient time (1 day) to be able to allocate this payment to your account.**

Your voucher payments will be allocated accordingly, i.e. if you only access our breakfast club sessions, then all income received will be allocated to breakfast club. If you only access our after school club, then all income will be allocated to the afterschool club. If however you access both before and after school clubs, then we will allocate accordingly, you will need to monitor these accounts to ensure sufficient funds are available. If at any time you do not have sufficient funds, you will have the option to pay in advance by BANK TRANSFER DEBIT OR CREDIT CARD using the above

instructions. We will have control of the balances on each of the club accounts and can switch accordingly depending on where the income is required. (You will need to notify us of this)
