## Parents Association

For many years Cullercoats Primary School has been supported by a very active Parents Association who work hard to raise additional funds to enable the school to purchase special resources which enrich the curriculum and benefit the children. In recent years money has been raised to help to provide interactive whiteboards for the classrooms, school playground facilities, an outdoor garden and mobile ovens for classrooms. This year we have made a contribution to the fantastic Bike4Health scheme which has enabled all pupils in Years 4, 5 and 6 to get out on bikes, encouraging an active lifestyle whilst developing their confidence. We have also purchased a number of new books and fully funded a theatre company to come into school and perform a Christmas Pantomime which every child in school attends. Each year we also fund two annual travel passes for the Tyne & Wear Metro which are greatly used to enhance the children's learning in the local community and beyond.

The Parents Association is a Registered Charity, which brings added benefits such as extra donations from local companies.

Each year the Parents Association organises a variety of events which include Cake Sales, Christmas and Spring Fayres. We also organise Halloween and Valentine Discos for the children which are extremely popular. We are always looking for new fund raising initiatives and welcome new members with fresh ideas. Our work is not solely aimed at raising money; we like to provide fun activities for children and their families at our events.

The Parents Association is a very welcoming and friendly group and we are always looking for new members. We meet informally on an evening once or twice each term. If you would like to find out more about us, become a member or add your name to the list of helpers for future events, please complete the form below and return the slip to the school office who will forward it to the committee.

Kind regards

The Parents Association
